Test The SEEDS You Buy

The Federal and State Seed Laws make it important that you know the germination of your seeds.

The **Master Seed Tester** is a simple attractive device which enables you to test your seeds.

You just put one hundred seeds, (one in each recess in the porous disc) add water, put on the glass bell and nature does the rest. Nothing could be simpler, nothing more effective.

Price \$3.85 complete, post paid, cash with order please. Safe delivery and satisfaction guaranteed.
